Tomorrow could also work, but I'd like to get an agenda out for next week's meeting, so today might be better.

I'm available now until noon, or after 3:30. What works for you? I'd also like to bounce some ideas off your head about how to move forward.

Hi Jeff,

Do you have a quick call to discuss this and another matter today or this week?

I have a free hour here and there today or am wide open tomorrow.

Thanks,

Good afternoon all, I hope you've all had a great Christmas holiday and are now looking forward to getting back into the swing of things in 2022.

I'm resending the scheduling poll, which has been revised to reflect our time zone (somehow Doodle decided that eastern time would be better for us in the last poll). Could you all please let me know your availability by COB tomorrow, so I can schedule something for next week?

Thanks,

Jeff
